

Alliance Security

your ally in home control

Full Voice Response

The panel gives clear notifications that indicate system status, zone descriptions, alarms, and emergencies.

Date, Time & Weather Display

The panel scrolls through date, time, and real-time weather forecasts and severe weather alerts*

Quick Access

One touch access allows the quickest help possible in an emergency. The panel's LED buttons indicate the system's status.

Remote Control Options

Always be in control by remotely managing your system from a computer or web-enabled mobile phone (BlackBerry, iPhone, and Droid).*

User Friendly LCD Touch Screen

The easy-to-use color touch screen puts a wide range of security and home automation controls at your fingertips.

Multiple Arming Options

Secure your home by arming your system "AWAY" or "STAY." The Quick Arm/Exit and Bypass features offer added convenience.

Home Automation

The panel's built in Z-Wave radio enables various home automation functions including HVAC, appliances, and lighting control.

Two-Way Response over Cellular

Two-way voice lets central station operators listen in and talk to you when a signal is received, ensuring that the proper emergency response personnel will be dispatched if necessary.

Convenience

The fully self contained panel contains a snap-in GSM Radio, a 24-hr. backup battery, and allows 8 user codes to monitor up to 48 wireless zones and 2 hardwire zones.

Over-the-Air Updates

There's no need to worry about your panel's software getting outdated. With our Over-the-Air function, your panel will automatically be updated with the latest software.*
